Work Experience

Virtual Assistant – Social Media

Jul 2026 – Present

MAXMO Management LLC

Part-time | Remote | Albuquerque, USA

- Plan and schedule social media content, including reels, videos, and Stories, based on content calendars and posting schedules
- Manage audience engagement through comments, replies, and account interactions while monitoring post analytics and engagement metrics to identify high-performing content and adapt future content planning

Virtual Assistant - Lead Generation & Outreach

Aug 2026 – Oct 2026

Arinze Consulting Ltd

Part-time | Remote | London, UK

- Conducted personalized social media outreach, lead generation, follow-ups, and pipeline management while maintaining accurate CRM and spreadsheet records
- Prepared EOD/EOW reports, track prospect stages, and coordinate lead handoffs for discovery-call workflows

Frontend Developer

Jul 2025 – Oct 2025

Sozoroad

Contract | Remote | New York, USA

- Built the complete frontend for the company's primary website using React, translating Figma designs into responsive, production-ready interfaces.
- Developed and refined layouts and navigation across mobile, tablet, and desktop while collaborating directly with the lead designer to meet project milestones

Software Engineer

Nov 2023 – Jun 2025

Syrincal Trading OPC

Contract | Hybrid | Bulacan, PH

- Architected and developed a centralized B2B ordering and inventory platform replacing manual Excel workflows and supporting 50+ client accounts, ~1,000 monthly orders, and 500+ products
- Designed and implemented 6 core modules covering inventory, ordering, order workflows, delivery tracking, supply-chain visibility, and product CMS using React, Next.js, Node.js, Supabase, Redux, and Tailwind CSS
- Owned the full software development lifecycle, partnering directly with the CEO on requirements, system architecture, technical decisions, deployment, testing, and post-launch maintenance

Web Developer

Sep 2024 – Dec 2024

D.R.A. Jewelry

Freelance | Remote | Bulacan, PH

- Delivered a mobile-first React/Tailwind product catalog with responsive UI, SEO optimization, consultation scheduling, Google Analytics, and Search Console
- Managed the engagement end-to-end from requirements and UI implementation through testing, deployment, and client handoff

Social Media Manager

Jun 2023 – Jun 2024

WeWhiten

Part-time | Remote | Utah, USA

- Managed lead generation, customer tracking, appointment coordination, client outreach, and follow-up workflows, supporting prospects from initial inquiry through scheduled appointments
- Supported influencer outreach and partnership activities while refining content scheduling and marketing workflows to improve engagement, referral traffic, and brand reach

Education

Our Lady of Fatima University

July 2025

Bachelor of Science in Information Technology
